**Trinity School is pleased to offer 'TRINITY PLUS', an after school child-care service staffed by staff currently employed as TAs or Lunchtime Supervisors at Trinity. Trinity Plus will only run in term-time. (Not training days).**

'Trinity Plus' commences from 3.15 pm - 4.00 pm or 3.15 pm until 5.00 pm and children will have a glass of milk, juice or water, and then settle to books, drawing, puzzles, or other quiet activities. Older children may choose to use the time to do their homework! The children will enter Trinity Plus straight from their classroom at the end of the school day and parents will need to enter through the Resources Door, which is adjacent to our large playground, to collect children at 4.00 or 5.00 pm.

We can only accommodate up to 20 children each day, and places will be offered on a first-come-first-served basis for each day. You do not need to use the service every day, but we may have to favour 'heavier' users to help make this a sustainable project. If we are oversubscribed we will put applicants onto a prioritized waiting list.

The cost each day for this service is currently £2.00 from 3.15 - 4.00 and £6.00 from 3.15 - 5.00 (which includes a small snack of toast, fruit or plain biscuit). Full details will go to those who have been successful in asking for a place. You will be invoiced half termly in advance for the service to secure your place.

Please pop into the school office if you have any questions.
