THE AIMS OF THE SCHOOL

Written by the Trinity Community for the Trinity Community

Everyone at Trinity School should be happy, safe and healthy. The culture is one of enjoyment and high achievement, with success central to our purpose. At the same time we aim to foster, within the individuals in this community, the desire to make only a positive contribution to the world we all share.

Everyone will...

...know that they are respected and valued for all that they are.

...be encouraged, through high expectations, to do their best in all aspects of life.

...be nurtured and creatively guided in a safe, stimulating environment.

...be encouraged to be an active partner in their learning.

...be encouraged to explore and appreciate morality and spirituality.

To meet these aims:

The School will

Ensure that children are happy in school and enjoy their education

Ensure that the school is a safe and friendly environment

Ensure that each child achieves his or her full potential as a valued member of the school community.

Meet with parents in the Spring and Autumn terms to discuss your child's progress, and produce a report in the summer.

Provide a balanced curriculum to meet individual needs.

Achieve high standards of work and behaviour through building good relationships

Maintain regular contact, as and when necessary, if there are concerns.

Inform parents what is being taught each term.

Set and mark appropriate work.

Ensure that the learning environment is clean, well maintained and visually interesting.

Each Child will

- Arrive on time.
- Respect others.
- Follow the Six 'Golden' rules.
- Be equipped and ready for work.
- Have completed homework tasks and/or shared a book at home.
- Come to school every day.

Parents/Carers will

- Attend teacher/parent meetings and help the child meet any target set.
- Support your child's home learning (and the school's Homework Policy) by helping with reading, spelling and maths.
- Let the school know of anything outside of school in the child's life that may affect their learning.
- Ensure that children attend regularly unless they are ill, in which case, school needs to be telephoned on the first day of any absence.
- Ensure that the school always has up to date telephone numbers in case of emergency.
- Apply in good time for known absences e.g. Holidays. (Please be aware this is not an automatic right.)
- Pay for replacement books or school equipment where these are lost.
- Parents and children will be asked to sign this agreement every year.
