Trinity School are pleased to offer 'KITES', an early morning child-care service staffed by staff currently employed as TAs or Lunchtime Supervisors at Trinity. Kites will only run in term-time. (Not training days).

'Kites' will open at 8.00am and children will have a glass of milk, juice or water, and then settle to books, drawing, puzzles, or other quiet activities. We will provide breakfast between 8.00am and 8.20am this will be toast with a choice of butter/jam/Marmite. The children will enter Kites through the external door to the new school library and will remain indoors. They can then walk through the school indoors to join their classes at 8.50am when external doors are opened to all.

We can only accommodate up to 40 children each day, and places will be offered on a first-come-first-served basis for each day. You do not need to use the service every day, but we may have to accommodate 'heavier' users to help make this a sustainable project. If we are oversubscribed we will put applicants onto a prioritised waiting list.

The cost each day for this service is currently £2.00. Full details will go to those who have been successful in asking for a place. You will be invoiced half termly in advance for the service to secure your place.

Please pop into the school office if you have any questions.

Kate Corcoran
Finance Officer

Please complete the slip below to state a firm interest and return it to school. Enter the days you wish to use the service and the names of children you wish to send. Each family need only return one slip. Do not send any money. We will contact successful applicants in due course.

.....

APPLICATION TO JOIN 'KITES'

I would like to bid for a place on the following mornings for the following children.

Monday	Tuesday	Wednesday	Thursday	Friday

I understand that each morning session costs £2.00 for each child I name.
