Car Park

Thank you for all the positive comments we have received about the increased safety on our site now that the staff car park gate is being kept closed. It was becoming increasingly difficult for pupils at Critchill to access their school due to the very high numbers of cars using the car park and obviously as many of those pupils have mobility issues this was an added pressure. We appreciate that there isn't really sufficient parking on the roads around school and we are more than happy to support discussions between parents regarding lift shares and setting up a walking bus to help resolve this.

Cake Sale - Wednesday 25th April

Thank you for your support for the cake sale on Wednesday afternoon in aid of homeless people. The team raised a brilliant £102.30 which is being donated to a charity to support homeless people in the local area.
