## Bikes and Scooters

There are increasing numbers of children riding bikes and scooters on the playground before and after school when the playground is really busy. We appreciate it is a great space to scoot or cycle around but it is potentially very dangerous when there are so many people on the playground. Please could all parents make sure their children only use their scooters and bikes on the playground when it is quiet.

## Life Education Bus

Later this month every class will have a class in the Life Education Bus, which is a mobile classroom designed to support the teaching of health education. Parents are invited to attend a short information session - details above in dates.

## TSA Updates

Lego Day - Saturday 12<sup>th</sup> May, 12 - 2pm

Bag2School - Wednesday 9<sup>th</sup> May, 9am

If you can help out at the Lego Challenge or with Bag2School please email the TSA committee to let them know.

[tsainfo@yahoo.com](mailto:tsainfo@yahoo.com)

The next TSA meeting is on Thursday 17<sup>th</sup> May at 7:45pm in the school staff room. All parents are welcome to come along and be part of the discussions.

## Fortnite - Battle Royale

We have become aware that a number of children at Trinity have either played or watched someone else play this very popular game. As with many online games, Fortnite: Battle Royale comes with risks to children and young people. The game is PEGI rated at 12+ however, there is no proof of age required, which can expose younger children to violent content as well as inappropriate comments from older users. National Safety Online has put together a FREE guide for schools and parents with more information about the game to help you keep children safe:
