## Life Education Bus

Many thanks to the Friends of Frome Hospital, who very kindly funded the visits for all classes to the bus this week. The children greatly enjoyed meeting Harold the giraffe and learning some PSHE.

Holly & Bramble had a very enjoyable trip to the Roman Baths, in Bath on Tuesday. Freddie and Izzy said they loved seeing the different baths and doing the different hands-on activities.

**Free Kids Activities at Home Improvement Fair - Saturday 19<sup>th</sup> May, 10am - 3pm, Frome Town Hall**  
Would you like to make your home more cosy and comfortable, green up your garden or adapt your home to suit your needs? There are free talks, kids activities with Frome Scrap Store, demos and stalls from renovation experts to garden gurus to insulation. Whether you own your own home or rent there's something for everyone. Free event and fully accessible. More info at: [www.frometowncouncil.gov.uk/improve-dont-move](http://www.frometowncouncil.gov.uk/improve-dont-move)

**Next week** is Frome Missing Link's School Travel Challenge Week. Last year we managed to increase the percentage of children coming to school on foot, by bike or by scooter from 54% to 82% which was brilliant. However, we would love to do even better than that this year, so please leave those cars at home, or park further away from school, and get walking, riding or scooting!

Also, as part of the week, the children will be seeing a BMX show. Dr Bike will be in school on Wednesday afternoon and he will go over the children's bikes and give them a quick service. If you would like to take advantage of this, please could your child ride their bike to school on Wednesday and leave it in the Jasmine playground, near the bike and scooter racks. Please make sure each bike is clearly labelled with your child's name and class.

The Smoothie Bike will be here again. This will be on Friday afternoon (3:15) and will be supported by the TSA, who are also going to be running a healthy snack stall.

Do stop and support them on your way home.

## Lego Day!

Lego day was a great success last Saturday, with over 40 family groups attending. An amazing range of models was produced in a very short space of time! Many thanks to the TSA for organizing and running the event, and to Luke and Charlie, from Frome Model Shop for judging and donating some great prizes. Congratulations to our worthy winners: Thomas, Sebastian, Philipa, Elijah, Will, Isaac, Rosa-Belle, Harvey, Ruth, Scarlett, Reuben and Elliott.
