Friday 20th - children break up for summer!

The National Online Safety Team have produced a guide which informs parents about the issues associated with smartphone and screen addiction amongst children and how they can help to control the associated risks and stop their children becoming 'Screen Zombies'. It can be found here:

<https://twitter.com/natonlinesafety/status/996772687132446721>

We continue to be concerned about the number of children who talk about the game 'Fortnite' (12 rated) and the adverse effect it is having on their behaviour. We are of course talking to the children about the appropriateness and dangers of such games and apps in our Computing lessons and would greatly appreciate it if you could reinforce this message at home.

In accordance with the new General Data Protection Regulation (GDPR) which comes into place today, Trinity School are following statutory guidelines to ensure that we are following the correct procedures. We have updated our Privacy Notice which can be found on the school website.

The children have enjoyed participating in the Frome Missing Link's School Travel Challenge this week. We'll know after half term if we have been able to better last year's improvement of 28% increase in the number of children walking, scooting or riding to school. The BMX display was a great hit and will hopefully inspire the children to get active.

Oak and Maple class thoroughly enjoyed their visit to Trinity Church on Thursday. Whilst pupils in Bramble and Holly classes have had great fun spending a day as Romans, partaking in a wide range of activities from cooking and tasting Roman food to making shields or standards and mosaics.

TSA Summer Fair - Sat. 7th July 12-4pm

Preparations for this year's Summer Fair are well underway and it promises to be a brilliant day and a great way of raising much needed funds for the school. The theme for this year is 'An English Country Garden' so please do feel free to consider this when getting dressed on the day!

The TSA team are busy drawing up a rota for helping out on the stalls so if you are able to help, even if it is just for an hour, please complete the tear off slip at the bottom of this newsletter and return it to school as soon after the holiday as possible.

I am able to volunteer at the TSA summer fair on Saturday 7th July between _____

Name: _____

Child's name: _____

Class: _____

In RE, after the holidays, Maple and Oak are learning about people in the community who help us and would love to have people in to talk with the children. If there are any parents, family or friends who would come in and talk to the children about their jobs (e.g. nurses, doctors, opticians, paramedics, policemen, firemen etc.), please pop in to office and let them know.

Half Term French Clubs Languages for Kids are running several 2 hour Fun French Clubs in Frome this Summer Half Term. Introduce your children to different topics in French through games, songs, craft activities, treasure hunts, cooking and more! This Half Term topics include Printemps and Été en France (4-7 yr olds), L'Europe (6-9 yr olds) and Assiettes et Galettes (7-10 year olds). Contact Katie at Katiefraser35@gmail.com or check out Languages for Kids on Facebook for more details.
