Friday 20th - children break up for summer!

September

Monday 3rd - Inset Day, school closed for pupils

Tuesday 4th - Autumn term begins for pupils from Year 1 to Year 4

Transition Day Arrangements

Next Friday is transition day, where children spend the day in their new school or class. If your child is in Year 4, they need to go directly to their chosen middle school in the morning and need to be collected from the middle school at the end of the day. All other children need to go to their current class for registration as normal and should be collected from their current class at the end of the day. If your child is in Reception or Year 2 they will spend most of the day in their new class with their new teacher. Children currently in Year 1 and Year 3 will spend the day in their current class as normal as they will not be moving classes in September.

Read to Succeed - Golden Reader Celebration

This will be taking place on Wednesday 18th July. The children have until Monday 16th July to reach the magic 200 reads!

TSA Updates

'Go Potty' for the Summer Fair!

Don't forget to bring in your pot for the 'Go Potty' competition for the summer fair between Monday and Thursday next week. Judging will be taking place on Friday. If you are able to help out on one of the stalls at the summer fair for an hour or two and haven't yet signed up, please do so as soon as possible. There are still gaps which need to be filled. If you have books or toys to donate for the summer fair these can be brought into school from Wednesday onwards. Next Thursday will be a non-uniform day for the children in exchange for donations for the summer fair - more details overleaf. During the fair, there will be a singing performance at 12:30 and a country dancing performance at 1:30. Please do come along and join in all the fun. Hopefully the sun will still be shining next Saturday!

Minecraft Safety Advice from the National Online Safety Team

Minecraft is played by millions of children around the world, who can use their imagination to build three-dimensional worlds with virtual building blocks in a digital, pixelated landscape. The risks that parents need to be aware of with this game include cyberbullying, "griefing", online grooming and susceptibility to viruses and malware. This guide aims to give parents and teachers practical tips on how to ensure this game can be enjoyed safely.

Here is a link to the free guide:

This week the children were introduced to this year's summer reading challenge organized by the library. This is a great way to keep reading during the holidays so please go and register with your children. Certificates and medals are awarded in an assembly in the Autumn.
