Wednesday 18th - Leavers' Service

Wednesday 18th - Leavers' Play 7pm

Friday 20th - Children break up for summer!

Children and staff alike, have thoroughly enjoyed a very full and active 'Let's Go Outside' theme week this week. We have been so fortunate with the weather, which has enabled the wide and varied array of planned activities to go ahead. It has been so good to see our beautiful school grounds constantly in use and the children having such a range of new experiences and the opportunity to explore the 'outdoors'. Working in mixed age groups on the trips to Southwick Park was a big success and enabled new relationships to be formed. A huge thank you to all the staff involved in making this such a great week.

Sponsored Walk

A very big WELL DONE for all the children who took part in their class's sponsored walk. Thank you to those parents who were able to come along and cheer them on. Hopefully, they will have found lots of sponsors. Please could sponsor forms and monies be put in a sealed envelope, with your child's name and class clearly written on the front, be given to their class teacher.

Normal service will resume for the Friday afternoon 'Stars and Celebration' assembly from next week!

Thank you to those parents who have already volunteered to spare an hour or two at the Summer Fair on Sat. 7th July. If you are able to help out, and haven't returned your slip from last week's Trumpet, do pop into the office to let them know.

National Online Safety have produced a guide designed to inform parents and carers about the dangers of live streaming for their children and how they can help control the associated risks. Please use the following link to access the guide.
