### Road Safety

A parent has brought to our attention that they have observed another parent checking their mobile whilst driving towards the crossing near the junction to Oakfield Road. They are understandably concerned about what could have been the consequences had a child been crossing at that time. A timely reminder about road safety to us all, as we are having a Somerset Road Safety Presentation Day on June 28<sup>th</sup> for the children!

### Bunnings

Some ladies from Bunnings have been in to work with the Y4 classes, who are doing a topic on Plants and Habitats. They worked with all the children in Pine & Gorse planting seeds and talking about growing. Many thanks to Poppy and her team from Bunnings.

### Bunnings Sausage Sizzle

*Saturday 23<sup>rd</sup> June 9am - 5pm*

We might have to cancel running the Sausage Sizzle outside Bunnings unless a few more people are able to come to the rescue and spare an hour or two to man the BBQ. This would be a brilliant fund raising opportunity for Trinity and would also raise awareness of the school. So please, please could you see if you can spare some time to come and grill a sausage or two for us. If you are able to, pop into the office and select the time slot most convenient.
