## Art Day - February 13<sup>th</sup>

We are busy arranging an Art Day for all the children on February 13<sup>th</sup>. We have an artist who will be coming in to school to work with some classes during the day. If there are any parents who would be able to come in and help during the day, we would very much appreciate it. Please let either your child's class teacher or the school office know. We are also collecting as much colourful plastic as we can to use on the day so if you have any colourful plastic bottles, bottle tops or bags you no longer need, please bring those to your child's class teacher. Thank you.

## World Book Day - March 7<sup>th</sup> 2019

This year our theme for World Book Day is 'Lost Words'. This is a stunning book of poems about nature-related words which have recently been removed from the Oxford Children's Dictionary. We will be linking our work on the book with some outdoor learning as we continue to make more of our beautiful grounds and give the children opportunities to connect with nature. If your child would like to dress up, we would like them to come dressed as an animal or bird, or as a nature explorer. We hope that gives plenty of options for everyone - and enough advance warning!
