Art Day

The children had a wonderful Art Day this week and there are lots of beautiful creations that will be on display soon. Thank you to all the parents who gave up their time to help out on the day and also to Mrs Godsave for organising such a fun and inspiring day of activities. As one parent has said, 'having a special day to create things was great'. We love having days like this for the children and we really appreciate your support with time and resources that help us to make them happen.

Trinity School Association (TSA)

The next TSA meeting is on **Tuesday 26th**

Parking

Earlier this week I had an email from a parent who wished to share their concerns regarding parking around the school site: 'I feel I need to bring to your attention the absolute hideous lack of respect and observation of the law that some of the parents/guardians are showing in respect of parking at the start and end of the school day. I park on the Critchill estate to avoid blocking up the road around the school. The manner in which people are parking will no doubt cause an accident or result in serious injury. The parents park across people's drives, on bends, on pavements, on junctions and anywhere they can to avoid walking any further than absolutely necessary. It's appalling and I'm sure it's a matter of time before a child is injured due to the parking.' Please can I ask that parents and carers consider carefully where you are parking, and perhaps even if you could walk rather than drive especially now that the weather seems to be improving. We are aware it is very hard to find parking near school and I am always very happy to hear suggestions you may have for improving this situation.

Please Check Bookbags!

There are quite a few things coming home in bookbags today, including letters about upcoming after school clubs, bags for the Bags2School collection and swimming letters for Year 4 children. Please make sure you have a look so you are aware of what is coming up. Thank you.

Happy Half Term!

Today we break up for the half term holiday. We hope all our families are able to enjoy some family time together and are able to make the most of the break from the school run. We look forward to seeing you all back on Monday 25th February.
