### Window Wanderland

This weekend we are taking part in the Frome-wide Window Wanderland. We will have some of the children's beautiful artwork on display in the windows of Sunshine and Jasmine classes so please make some time to wander past the school to see it if you can.

### Parent Consultation Meetings

The children will be bringing letters home on Monday for you to book your parent consultation meetings for this term. We have brought the dates forward this year so that we will have a few weeks between the appointments and the Easter holiday to enable everyone to start acting straightaway on the things that are discussed. We hope you will find this useful as parents and that it will be beneficial to the children.

### Playpod Grand Opening

Many of you have noticed that the groundworks for the Playpod have taken place over the half term holiday. The shed and first set of stock are due to be delivered soon and staff are being trained on how to support and guide the children to get the most out of the Playpod. We are planning to have a grand opening of the Playpod on Friday 22<sup>nd</sup> March. We will have an earlier Stars Assembly on that day, starting at 2:30; followed by an information session for parents, starting at approximately 2:45. We will then gather on the playground for the grand opening at 3:20. We are really excited about the Playpod and are very much looking forward to seeing how much fun and learning the children get out of it. We are very grateful to Mrs Corcoran who worked incredibly hard to secure Awards for All funding to cover the costs of the Playpod itself and to the TSA who have given us the money to cover the groundworks.

### Healthy Snacks Please!

Please could we remind parents that the snacks children bring in to eat at playtime should be a healthy snack, ideally a piece of fruit. Thank you.

**Pine and Gorse parents, don't forget the Hooke Court deposit is due by Friday 15<sup>th</sup> March. Thank you.**
