World Book Day

The children looked amazing yesterday in their costumes so thank you for all the hard work that went into them. There were lots of exciting things happening in school to celebrate the world of books and the natural world and the children had a great day.

Trinity School Association (TSA)

Bags2School - Friday 8th March

Thank you for your support of our Bags2School fundraiser. The bags were collected this morning and we raised £76.

Lego Day - Saturday 18th May

tsafrome@yahoo.com

Saturday March 9th - Frome Library

Children and parents are invited to a free book event to celebrate World Book Day from 10-12 on Saturday morning.

Parent Consultation Meetings

The teaching staff are busy sorting out meetings for the parents who have requested them so far. If you haven't yet requested a meeting, please make sure that you do so as it is very important that you have the chance to discuss your child's progress with their class teacher.

Playpod Grand Opening

We are planning to have a grand opening of the Playpod on Friday 22nd March. We will have an earlier Stars Assembly on that day, starting at 2:30; followed by an information session for parents, starting at approx 2:45. We will then gather on the playground for the grand opening at 3:20.

Comic Relief & Climate Action

'Wear Something Green' Day

Friday 15th March 2019

Next Friday is Comic Relief Day & Climate Action Day. The children are invited to come wearing something 'green' as non-uniform along with their red noses etc. Wearing something green will highlight climate change. A suggested donation of £1 towards Comic Relief will help this very worthwhile cause.

Parking

Many parents will have noticed that the traffic warden has been patrolling the road outside school this week, following requests from school and parents for support in keeping the road safe for the children. We have been assured that this will be a regular occurrence. Please make sure you are only using the staff car park if you need to access the disabled parking bay. There have been several reports recently of parents waiting in the car park with their engines running, or blocking cars dropping children with physical and learning difficulties at Critchill and causing those children distress.
