Trinity First School is one of the chosen charities for the Asda Green Tokens scheme starting on April 1<sup>st</sup>. So whenever you shop at Asda in April, May and June, please make sure you ask for a token and pop it in the Trinity First School box. If we have the most tokens we will be given £500 towards developing our outdoor learning environment. Thank you!

## **Church School Inspection (SIAMS)**

We hope you have enjoyed reading the report from our recent church school inspection which we sent out to parents earlier this week. We are very proud of the report which recognizes many of the wonderful things happening at Trinity but we also fully understand that our foundation as a church school may not be the reason a number of our families chose the school and that individuals and families will have their own beliefs and views. These are recognised and respected and we work hard to provide a balanced and rounded education with this in mind.
