WELCOME BACK

It has been so lovely welcoming the children back to school this week and hearing all their stories from over the last few months. We are delighted with the way they have settled into new classes, and back into old classes.

USEFUL INFORMATION

To avoid parents coming into the school, we have uploaded the Request for Term-Time Leave form on our school website. Please click on the Useful Information Tab and select Term Dates.

SMOKING & VAPING

Parents are reminded that smoking and vaping is prohibited on the school grounds or whilst waiting outside of the school for the gates to open.

PARENTPAY

Due to social distancing and parents not being able to come into school this is now the main way of communicating. Please ensure you have activated your child's Parentpay account. If you have any problems or queries please contact the school office who will be happy to help.

THANK YOU

Thank you to everyone for their co-operation with the new systems and procedures that we've have put in place around the school. We understand they are not perfect for everyone but we are doing our best within the guidelines and the limitations of our site.

INHALERS

Please ensure if your child requires an inhaler during the school day that one is left with their teacher and it is in date.
