Parent concerns

We appreciate it is harder to have regular chats with class teachers while we are observing social distancing, but we would like to remind parents that if you have any concerns about your child to contact the class teacher as soon as possible. You can always ring or email the school office to ask the teacher to get in touch with you.

Parent Governor Vacancy

Please see attached letter regarding the Parent Governor vacancy at the school. Deadline for anyone interested is 10am on Friday 23rd October.

Lateness

Just a reminder for pupils to arrive on time. The gates are open between 8.50 - 9.00 for years 1 - 4. Reception gates are open from 9.00 - 9.10. However, if you have a child in Reception who you know will be confident to leave you at the gate to the outside area, you are welcome to bring them into school from 8:50, using the top gate to enter and the double gates to leave the site. If you would prefer to continue taking your child to the class door, please continue to wait at the double gates until a member of school staff invites you to come in so that we can be sure the one-way system will work.

COVID-19 Update

If your child, or a member of your household receives a positive Covid-19 test result please inform the school as soon as possible. Should you receive a positive result from a Covid-19 test whilst the school is closed, please call the dedicated School Out of Hours Covid-19 mobile, which is **07876 199618**. This should only be used for a positive test result and out of the normal school hours which are, 8.30am - 4.00pm Monday to Friday and in the School Holidays. Thank you for your continued support.
