## Red Nose Day 2021 - Friday 19<sup>th</sup> March

We would like to celebrate Red Nose Day with the children this year, but we also want to make this as easy as possible for parents and carers as we know that

you have had plenty of things to do over the last few months.

On that basis, we would like to ask you to send your child to school on Friday 19<sup>th</sup> March in comfortable, casual, home clothes. We are hoping the children will be very active on the day and outside as much as possible so jogging bottoms/jeans, trainers and T-shirts and jumpers would be ideal.

During the day in school we will be celebrating along the theme of Superheroes. We want to celebrate the heroic efforts of our children in

dealing with the pandemic over the last year as well as raising awareness of the amazing work that can happen as a result of the fundraising that happens on days like Red Nose Day. At school, the children will be making a superhero mask and they will be taking part in games and activities to celebrate their achievements over the last year as well as finding out more about Comic Relief.

If you are able to make a donation to Comic Relief, we have set up a 'shop' page via ParentPay which will enable you to make your donation directly to Comic Relief. Click on the link below to take you directly to the page.

<https://app.parentpay.com/ParentPayShop/Foc/Default.aspx?shopid=2917>

If you are not able to make a donation, your child will still be taking part in all activities, donations are entirely voluntary.

*We hope your child will have a brilliant day in school, and that parents and carers will enjoy NOT having to get a costume together!*
