June

Monday 7th return to school

Friday 25th staff training day,
school closed to pupils

Monday 28th staff training day;
school closed to pupils

July

Friday 23rd break up for Summer holiday

Pyjamarama Day

We raised a total of £173 for The Book Trust last Friday. Thank you to everyone who donated and we hope everyone had a great day!

School Events

During this term we are usually very busy with lots of different events - sports day, transition day, visits for our new Reception children, plays and leavers parties. We are really hoping to be able to hold as many of these as possible because they are so important for everyone in our school community. However, it is likely that they will look and feel different even if we are able to go ahead, and we will not be able to confirm any of these events until we have the go-ahead from the DfE in our guidance. Obviously we are following government updates regarding the roadmap very carefully as these will determine a lot of what we are able to do. We really want to be able to welcome parents into school, but we also want to keep everyone as safe as we can. We are starting to make tentative dates for events and will let you know as soon as we can, even though they will be provisional dates for the time being. We thank you for your patience and understanding.

TSA Plant Sale

Despite the soggy weather last Saturday, the TSA raised £155 at the plant sale. Thank you to everyone who went along and a big thank you to Simon Bates for organising it all.

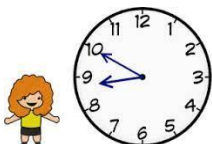

Drop-off and Pick-up Reminder

Please can we remind parents to keep their younger children with them when they are dropping off and collecting. Some younger children have been playing on the trim trail and at this time we still need to ensure we are keeping the one-way system in place to keep everyone safe. Many thanks for your continued support.

Lateness

The school gates are opened at 8.50am and close at 9.00am. Please can we ask parents to get their children to school within the 10-minute window. Lateness is very disruptive for the teaching staff and the rest of the class as well as the office. Thank you.

School Pond Area

We would like to renovate and rejuvenate our pond area and we are looking for parents/carers that are landscapers and would be able to quote costs and provide ideas to enhance the area.

Please contact the office if you can help!
