## Hayden the Hedgehog Story Trail

Hayden the Hedgehog story trail is currently on in Rodden Meadow. It went up almost two weeks ago to mark the Walking Festival, and is still up now. The trail tells the story of Hayden the Hedgehog who emerges from hibernation to find his home no longer suitable. He meets various animal friends along the way.

It's a lovely thing to take small children on!

## Parent Governor

We are pleased to announce the new parent governor is Alice Sykes. The governors look forward to welcoming her to the board very soon.
