COVID Update

Please can we remind parents to be aware of any COVID symptoms (especially a temperature, a persistent cough or a change or loss of taste and smell). Your child must be kept at home and a PCR test must be booked. Please keep your child at home until they have a negative test result.

Any child who has been isolating after a positive COVID result can now return to school on day 8, assuming they are well enough. They must have had a negative LFD result on 2 consecutive days which can be carried out on day 6 and 7 of the isolation period.

Many thanks for your continued support.

Welcome Back
