To take part you need to visit your local library and sign up to the Challenge for **free**. Your child will receive their Gadgeteers core pack poster and then they can borrow and read books, eBooks and audiobooks of their choice. They can read anything they like: fiction, fact books, poetry, joke books, picture books, graphic novels, audiobooks. They will be able to collect special incentives from the library each time they finish a book and at the end they receive a certificate and/or medal for taking part, or for reaching their Challenge goal. In addition, libraries offer a wide variety of events and activities for families to enjoy throughout the summer.

It's free to join the library and borrow the books.

★★★★★ School Reports ★★★★★

All children are bringing home their end of year reports today, so please make sure you check their book bags. We are aware that some split families prefer to have a copy of the report each, and we think those families have been sent or given an additional copy but if we have missed anyone please let the school office know and we will arrange a second copy as soon as possible. Thank you.

Trinity First School is committed to safeguarding and promoting the welfare of all children.
We expect all our staff and volunteers to share this commitment.

Music Listening

Gabriel's Oboe is a short instrumental piece written by Ennio Morricone for a key scene in Roland Joffé's period drama film *The Mission* to show how a flawless melody can de-escalate conflict and set the tone for a cross-cultural contact. The movie describes the historical events that took place in South America in the mid 18th century when the Jesuit order established a mission to convert the native Guarani Indian tribespeople to Christianity and to protect them from Portuguese slave traders.
