COVID

We want to make parents aware that there is a rise in the number of COVID cases at Trinity. We are learning to live safely with COVID so whilst it is not recommended that children are tested, should your child test positive or they feel unwell with a high temperature they should try to stay at home for 3 days. If they feel well and have no temperature after this time the risk of passing it to others is much lower. Children who live with someone who has COVID should continue to attend school as normal. Please click [here](#) for further information and advice.

School Lunches

Please don't forget the order deadline of midnight on the Monday prior to the week you would like meals. The next deadline is Midnight Monday 4th July for meals w/c 11th July.
