Accident

Some of you may be aware that there was an accident on Tuesday during the morning school run in which a car hit one of our pupils crossing Nunney Road. Fortunately, the child involved only suffered soft tissue damage and has made a full recovery and we are very pleased to have them back at school. The incident has been reported to the Highways Agency and the Police and they will review the road markings and area to ensure that everything has been done to make it as safe as possible for the children coming to school. This incident highlights the need for everyone to be extra vigilant, whether walking or driving, during school run times as the roads around school get extremely busy.

School Aged Immunisation Survey

We have been contacted by the NHS regarding the School  Immunisation service they provide, asking for your help in completing a survey about the experiences you have had when you received your vaccinations. The contract for this service in our area is due to be renewed and as part of this process they want to make sure it is right. To do this, they need to hear from the people who are able to have these vaccinations to find out what is and is not working well. Your feedback is very important as they wish to make sure that our future provider services can keep improving and be as efficient and effective as possible. This consultation is completely anonymous and will only be used by the relevant NHS and Local Authority organisations working on this programme.

Please could you take a few minutes to complete this survey [parent/carer/student](#) which has been extended to **Friday, 21st October 2022** due to the summer holiday break.

Co-Opted Governor Vacancies

Our governing body is made up of volunteers who are parent governors, foundation governors, staff governors and co-opted (sometimes referred to as community) governors. We currently have two vacancies for co-opted governors, who may be a parent at school, or from the wider community. It is a brilliant opportunity to play an important part in school life and an opportunity to develop new skills. Governors are responsible for deciding the framework for the development of the school and monitoring whether it is achieving its aims and objectives. We also assist with the appointment of staff, make decisions on the upkeep of the buildings and grounds, set the budget for the school and monitor how the money is spent.

With a key part of the board's role focusing on the setting and monitoring of the budget we would ideally be interested in anyone who has a background in finance/accounting in addition to having: (1) Enthusiasm for the school and for children's education; (2) The time for meetings, visits and training (the Governing Board meets 10 times a year on Tuesdays at 4.30); (3) The ability to see the wider issues i.e. the interests of all the pupils in the school.

As a Governor, you would have access to training to help build on existing skills or to develop new ones to help you in your role.

If you are interested in applying for the role and would like to find out more then please feel free to contact the office

office@trinityfirstfrome.co.uk

or call 01373 461949.
