Christmas Performances

All Christmas performances, whether at school or at the church, are **two people per child**. We will not be issuing tickets but will be checking off class lists on the door. All year groups will also perform to the whole school so any siblings at Trinity will see each other perform. If both parents cannot attend, a grandparent or other relative or family friend is welcome to attend in the place of the parent or parents who cannot be here. If you are unable to get childcare and need to bring a younger brother or sister, that child will count as one of the two people attending. Thank you in advance for your support; the children have been busy learning their lines and the songs and it has been lovely listening to them rehearse

Read to Succeed

Children who have read at home every day since the beginning of term are now reaching their third reading certificate, Fantastic Reader. We really appreciate support from home with reading and know that our children who read frequently at home make much better progress as a result so please do whatever you can to make time to listen to and read to your child (both are important!) - it makes such a positive difference.

If anyone is unsure about how best to help their child with reading, or if there is anything else we can do to help, please speak to your child's class teacher who will be only too happy to do what they can to support you.

Winter Break Out

Bath Rugby Foundation in partnership with Somerset Active Sports Partnership are proud to be delivering Winter Breakout as part of the Holiday Activity Food project.
