Supporting Critchill Students

Critchill School is encouraging more of the older pupils who live within walking distance to walk to school, independently wherever possible. This is a positive step in developing independence but some of those students need us to help them by making sure they can walk freely down the footpath that runs along the side of Trinity school. While the students are growing in confidence at managing social situations with strangers, *please could those Trinity parents who wait along the path in the morning keep a special eye out and make sure that we support them by leaving space for them to walk past as easily as possible.* Thank you.

Also, a gentle reminder that the car park we share with Critchill is a staff car park only and is not to be accessed by parents. Thank you for your support.

Swimming - Year 3

Just a reminder for Year 3 (Pine and Gorse) parents that payment for Term 2 (November-December) is now due and available to pay for through **ParentPay**. Also, anyone that is still yet to pay for Term 1 (September-October) and able to contribute, this is still open on **ParentPay**. Any problems or questions, please contact the office. Thank you.

Walk to Poland

Thank you for supporting the Frome Town Council Walk to Poland challenge. We will be sending our data to the council and they will let us know shortly how far Frome families managed to walk collectively on their journeys to school this week.
