Road Safety

Following a near miss on Oakfield Road this morning, we would like to remind all our families to take great care when driving and parking near school. We know it gets very busy and can be difficult to park, but our youngest children are not very tall and may not necessarily have the greatest awareness of potential traffic risks. In this particular instance, a vehicle mounted the pavement and narrowly avoided two children. The children would not have anticipated this happening as they would expect the pavement to be a safe place for them to walk. Please help us to ensure the pavements around our school are safe for the children to walk on. Thank you.

Path Maintenance

It is that time of year again when the stinging nettles are growing all along the path, and starting to encroach onto the path itself. The maintenance of the path is the responsibility of Somerset Council. One concerned grandparent has already got in touch with them to ask them to address this issue, but so far to no avail. We know from past experience that when several people get in touch, the matter is usually dealt with pretty quickly so if you are able to support us in this we would be very grateful.

Lions Sponsored Swim

Trinity School won the John Barrow Cup for the school who completed the most lengths and the most sponsorship money raised! Half of the total sponsor money goes to Active & In Touch and half comes back to FoTFS! The photo shows some of the children who were able to attend the recent presentation. Well done to all those involved and a big thank you to everyone that kindly sponsored the children. We are now proud owners of a cup and certificate.

School Lunch Menus

Please order lunches for w/c 12th June by midnight on Monday 5th June. If you missed the deadline for lunches for w/c 5th June please send a packed lunch from home as meals have now been ordered.

Hot meals will **not** be available on Wednesday 21st June due to an activity taking place in the school hall all day. Please note this date will **not** be locked on the menu for that week so please remember not to order a meal especially if you pay for it.

The Bible Story this term is:
Breakfast on the shore.
John 21:1-25

After Jesus died and came back to life, some of Jesus' friends went fishing. They fished all night long, but didn't catch any fish. They were still in their boats on the lake when morning came. As it got light, they could see someone standing on the beach. He called out, "Do you have any fish?" Jesus' friends answered, "No." "Throw your net on the right side of the boat and you will find some fish," the man said. When Jesus' friends threw out the net, they caught so many fish that they couldn't pull the net back onto the boat. Peter knew it was Jesus talking to them! Peter jumped into the water and swam to the beach to see Jesus. The others followed in the boat. They towed the net full of fish behind them. When they got to the shore, they saw that Jesus was cooking breakfast. There was a fire with some fish on it and some bread. Jesus invited them to have breakfast with Him.

E. Williams Butchers) to name but a few. So thanks again and here is what the children have enjoyed so far!
