HEADS UPDATE from Amanda Seager Thank you to everyone who has been into school this week to meet with their child's class teacher. These meetings between parents and teachers are a very important part of school and enable us to make sure that parents know the key information about how their children are doing in school. Having even a relatively short amount of time dedicated to a sit-down conversation about your child's progress (academic and personal/social) is a critical aspect of the partnership between home and school.

From the parents I have spoken to this week, I know that you value the chance to come into school as much as we want to welcome you in. However, I also know that the logistics of life can sometimes get in the way and parents cannot always come in during the times we are able to offer. If this has been the case for you, please do get in touch with your child's class teacher, who will be happy to arrange a meeting at another time, or even a phone call if that is a more practical solution. Teachers are always available to have a quick chat at the beginning of the school day, and can have a longer chat after school, in addition to exchanging messages on Class Dojo so I hope that all parents feel that there is open communication between them and their child's teacher.

I was so pleased to be able to welcome parents to our first Parent cafe this week. This is something that I would like to make a regular, monthly event, with a different focus each month. In order to try and make it as accessible as possible, we will be offering different days and will look to have a different focus each month as well. This month we were joined by Melody Hunter Evans and Liz Smith from Frome Town Council, which meant the focus was on the Find directory on the FTC website and the wealth of information that holds. There are so many groups and organisations in and around Frome with something to offer children, young people and families and Melody works hard to keep the directory as up to date as possible. It really is a great place to go to find out what is on offer in Frome – from social groups and clubs to financial support. If you haven't already, I recommend having a look at the directory. <https://www.frometowncouncil.gov.uk/find/>

School News

Frome Window Wanderland

Well done and thank you to Mrs Williams, Miss Hare and the children in Jasmine and Poppy for the beautiful artwork in their class windows for Window Wanderland this weekend.

We also want to thank FOTFS for providing refreshments this evening for visitors to the Winter Wanderland, between 5 and 7. We look forward to seeing lots of you later! Everyone welcome.

Dr Bike

Tuesday 5th March

Dr Bike is coming back to Trinity on Tuesday 5th March! If you would like your child's bike to be checked by Dr Bike during the day, please bring it to school on Tuesday morning and take it up to the bike shed area on the main playground where Dr Bike will be waiting. During his check, Dr Bike will carry out basic maintenance and will make a note of anything that needs to be done that is beyond the limit of this free check so that you know what needs to be done to ensure the bike is safe for your child to ride. We are really grateful to Frome Town Council for providing this service, free of charge to children at Trinity.

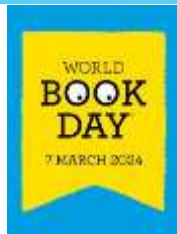

and share them with the children on Friday 8th March, so we would like them to **be sent to class teachers by Wednesday 6th March** to allow time for this to happen. Please feel free to be as imaginative as you like - or not! Thank you.

Thank you to FOTFS for their hard work this week making pre-loved uniform available at both parents' evenings.

World Book Day - Friday 8th March

To celebrate World Book Day, we are inviting the children to come to school on **Friday 8th March** in their pyjamas. During the day we will have lots of reading opportunities for all the children to take part in. All classes will be visiting Hunting Raven in the days before our World Book Day celebration to exchange their token for a book. We have chosen to celebrate World Book Day a day after the official day to enable all classes to take part fully. With Year 3 children swimming on Thursdays, this would not have been possible if we had kept to the original day.

Don't forget to send your photos!

During our World Book Day celebrations, we would also like to recognise and celebrate the children reading outside of school. **We would love it if all families could send their child's/children's class teacher a photo on Dojo of their child reading.** This could be anywhere of your choosing - snuggled on the sofa, at the kitchen table, in the garden, at the park, at the beach, in the car, on the bus/train. It might be reading to the dog, the cat, the goldfish, to a family member or reading to themselves. The teachers will collate the photos

Big Walk and Wheel Challenge

From March 11th to March 22nd we are encouraging families to travel to school as actively as possible as we take part in the Sustrans Big Walk and Wheel Challenge. This might involve the children walking, cycling or scooting all the way to school from home, but it could also mean that you park a little further away from school and walk a little further than usual during those two weeks. We know it isn't possible for everyone to travel all the way to school and back on foot every day, but we really hope all of our families will join in as much as possible.

Fun Walk - Mojo Moves

On Wednesday 13th March, we will be offering an active and fun walk to school with Mojo Moves, and hope to be able to offer an active travel breakfast on one day of the challenge fortnight. Both of those events are being organised and funded by Frome Town Council and we will share more details when we have them.

Friends of Trinity First School

Sponsored Swim

We had so many keen swimmers enter and will have 4 teams taking part in the Lions Sponsored Swim on 3rd March, with children from nearly every class in school!

This year the money we raise will be split between Frome Lions' chosen charity, which is Frome Youth and Community Care Centre and Friends of Trinity First School.

If you are able to support our Trinity School Swim teams, please put sponsor money in an envelope with 'Lion's Sponsored Swim' on, and hand into your class teacher or the school office. Any amount will help!

Thank you for your support.
