

HEADS UPDATE from Amanda Seager

This week has been a week of adventures, with some really memorable experiences for several of our classes.

On Tuesday, the children in Year 3 visited the Tiny Forest at Egford Park. We helped to plant the forest a couple of years ago, and also returned to check on progress last year. When the children went to measure the trees last year, most of them were around half a metre tall. This year, the trees were all taller than the children and the area has become quite dense as well. The children loved exploring the area and going on a mini-beast safari.

Yesterday, our Year 4 children were invited to visit Frome College, where they took part in a series of workshops on space. The workshops were led by Frome College students, and included identifying space rocks which had come directly from NASA. The children loved the Starlab, an inflatable planetarium, and talked so enthusiastically about their visit in our assembly this morning.

Finally, on Wednesday our Reception children went to the seaside and had the most brilliant day. So many children told me it was the 'best day ever'! The children travelled by coach and train, went paddling in the (freezing cold!) sea, built sandcastles and moats, and had an ice cream. They were brilliant all day, and it was an absolute joy to spend the day with them. The staff had planned the day with military precision and were so well supported by parents and helpers who gave up their time to come with us. The train travel was funded by Platform Rail, who also provided a safety workshop with the children before the trip, and staff to accompany us on the day. While the children were having their picnic lunch on the beach, the lifeguards also came to chat to them, explaining what they do to keep everyone safe. It really was a fantastic trip, and hopefully one the children will remember for many years to come.

School Lunch Menus

Deadline for meals w/c 24th June is midnight Monday 17th June.

If you would like to order in advance, meals have been added on ParentPay until the end of the academic year.

To minimise food waste, we kindly request that you order your child's meal(s) by midnight on the Monday of the previous week. If the deadline is missed, please ensure your child brings a packed lunch, as we will not have extra meals available to accommodate late orders. Thank you.

Celebrating Birthdays

We love to celebrate the children's birthdays with them in school, but from September we will no longer be able to share sweets or cake with the class at the end of the day. Instead, we invite the children to come into school on their birthday in mufti (with their birthday badge if they have one and wish to wear it) as a treat. If a child's birthday falls on a Saturday or Sunday, during a school holiday, or on a whole school mufti day, they can wear their own choice of clothes on either the school day before or the next school day after. Thank you for your support.

Swimming - Year 3

Just a reminder for Year 4 (Holly and Bramble) parents that payment for Term 5 (April/May) and Term 6 (June/July) is now available to pay through [ParentPay](#). If you are a Trust Fund pupil, you can use your funds to pay for swimming. Just email the office so we can check your balance and arrange this for you. Thank you.
