HEADS UPDATE

from Amanda Seager

Each Friday morning we hold our Stars assemblies to celebrate some of the special achievements from the week. There are usually two stars from each class, and the class teachers explain to everyone in the assembly why each child is a star. It is also the time we celebrate the children's achievements in reading and anything else they bring in from home to share with us from football trophies to carnival prizes. In addition to this, each class takes it in turns to share some of their recent work with us so we can get a flavour for what has been happening in different classes each week.

Sharing the work in this way is a great opportunity for the children to practise speaking in front of a large group. In addition, it is a way of enabling the learning to become more embedded as the children explain what they have learned to others. If we are able to explain something to someone else, it shows we have a good understanding of it ourselves, if, or perhaps because working out how to explain it can test our knowledge in a different way.

This morning it was the turn of Hazel class and Chestnut class. Chestnut class has been learning all about instruction writing and shared their instructions for making a woolly mammoth, along with some of the beautiful woolly mammoths they have made. Hazel class told us about their work in geography, Literacy, science and art. This included using balloons to show everyone where the equator and lines of latitude and longitude are; explaining food chains and reading out some of their diary entries. The children from both classes were really proud of the work they were sharing and it is always a lovely way to end the week.

'George's parents never talk about Great Grandpa George. But they had once let slip that a long time ago when adventurers used to travel the globe in search of distant lands and cultures he had been an explorer. So, when George hears about a school trip to the Lost World, (a theme park located in an old factory in a remote part of the country) she begins to do some exploring of her own. Up in the loft where the grandpa's secret box is hidden....'

Local Events

Message from

Members of Frome Food Network

We are inviting local residents, organisations and community groups to our pop-up community eating events starting later this month at Trinity Church Hall. Please share this information with any relevant groups or individuals, we would love to see all types of people from the local community coming and sharing food together, and we've tried to make it as accessible as possible for everyone including those with families or on lower incomes.

Canteen

Trinity Hall, Frome:

5pm-8pm, Friday 25th October & Friday 15th November 2024

No reservation needed – pop along any time from 5pm. Food is served up to 8pm, or until it runs out.

<https://www.fromefoodnetwork.co.uk/canteen>

How much does it cost?

The cost of a meal at Canteen is up to how much you'd like to pay for it. Even if that's nothing.

On the day, there will be an indication of how much a single meal at Canteen costs to make. Since Canteen is not-for-profit, it only seeks to cover that cost. Currently, the suggested donation for a meal is £10.

The food served at Canteen is hearty, nutritious, familiar, and – most importantly – delicious.

Think pie and mash, ragu, curries, stews, and so on.

Canteen's dishes are based around seasonal fruit and vegetables. Meat is from local, regenerative, and ethical sources.

Children are welcome to come and eat too, provided they are accompanied and looked after by a responsible adult. There is a designated

children's zone in the corner of the dining hall (left as you come in). Suggested donation £5.

How does it work?

Step 1: Buy a Canteen token at the till, or ask for 'a token for Joe' to get a free one

Step 2: Either turn in your token at the adjacent hatch for a meal, or give it to someone else for their own

Step 3: Join other guests at the table, and welcome others to sit with you

Step 4: Eat and enjoy

Currently in pop-up form, Canteen is managed by [Frome Food Network](https://www.fromefoodnetwork.co.uk/).

If you have any questions, please don't hesitate to contact me or Hugh.

Hope to see you there!

Kind regards

Caroline Wajsblum

Mayor's Christmas card competition

Message from Frome Town Hall

It's never too early to mention the Mayor of Frome's Christmas card competition! So this year's Mayor, Cllr Andy Jones is putting the call out to the children of Frome to design 2024's Christmas card.

The Mayor is looking for the most creative design around the theme 'Winter Woodland' to tie in with this year's exciting lantern parade. What does this mean to you? Why is it important that we celebrate and protect our winter woodland and wildlife? Perhaps you have a favourite green space in and around Frome you would like to feature. Importantly don't forget to put a Christmas twist on your design.

Mayor of Frome, Cllr Andy Jones said, “Every year we are inundated with the most fantastic artistic creations, and I just know I am going to be in awe of the range of imaginative and inspiring offerings this year. It’s going to be tough to choose!”

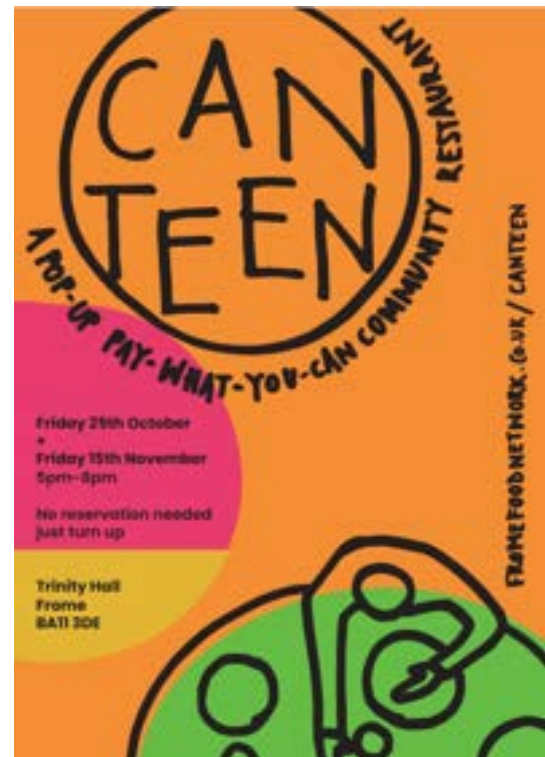

Each year the Mayor sends out a uniquely designed Christmas card to many different organisations and individuals who they have met over the year. This year’s card will be sent as both an e-card and in the more traditional format.

The competition is open to all school age children in Frome up to the age of 12. There will be prizes for the top three entries.

Entries should be posted to or dropped off at:
Mayor’s Christmas Card Competition
Frome Town Hall
Christchurch Street West
Frome
BA11 1EB

Don’t forget to add your name, age and school on the back. Closing date for entries is 5pm Friday 25th October 2024.
