## HEADS UPDATE

from Amanda Seager

This week the teachers have had some training as they have all had the chance to meet with an education specialist and talk through their plans for the subject area they take the lead on. Primary teachers are very often not specialists in any one curriculum area (but they are absolutely brilliant at managing the varied needs of a class of small children!) and teachers take responsibility for a particular subject and lead on that across the school, offering a point of contact and support for their colleagues. In order to make sure our curriculum remains the best it can be, it is important that we give the teachers time and expertise to develop their roles as subject leads. So with that in mind, each teacher had an individual meeting to discuss where they currently are with their subject and to make sure their plans for the future of their subject will enable continued progress. It also meant I had some time in classes this week with the children, which is always lovely.

In my assembly with the children in Year 1 and Year 2, I talked to them about the Big Walk and Wheel Challenge coming up next week and the week after. Following on from our work last week on 'Change Sings', the children are very keen to do what they can to make a positive change. Schools across the country will be taking part in the challenge and the children were very excited to think they could be part of bringing about a nationwide change. It will be amazing if parents and grandparents can support the children to walk, scoot or cycle to school as much as possible over the next couple of weeks. It doesn't have to be the whole of your normal journey to school, even parking a little further away than you would usually do and walking a little bit further helps, and counts.

To help us, Frome Town Council have organised three great activities to take place during the fortnight. Firstly, next Tuesday morning we can meet up with Mojo Moves at the bandstand in Victoria Park for music, fun and laughter as we make our way to school. Next Thursday, Dr Bike will be here all day ready and willing to check the children's bikes. If you would like your child's bike checked (minor repairs can also be carried out) all you need to do is make sure it is in school on Thursday morning. If your child rides their bike but you don't want it to be checked, just leave it in the bike rack as normal. Finally, on Monday March 31st the smoothie bike will be here and the older children will have the chance to use their pedal power to make a smoothie. Hopefully a fun and active couple of weeks coming up!

### Walk and Wheel Challenge

Monday 24 March - Friday 4 April

The annual Walk and Wheel Challenge starts next week and will take place during the last two weeks of this term. We would love as many families as possible to support it, even if that is by parking a little further away and walking a little further than usual.

Frome Town Council are supporting us by putting on three great events:

**Tuesday 25th March - Walking Bus** Frome Town Council are excited to kick off the Big Walk & Wheel fun with Trinity First School next Tuesday 25<sup>th</sup> March.

Cheryl Sprinkler from Mojo Moves welcomes all Trinity students to join her at the bandstand in Victoria Park from 8 am for some morning movement in the sunshine. At 8.20, Cheryl will lead revellers, dancing and walking around the park, and up to Trinity School. Everyone is welcome to come along, join the fun and feel the benefits of actively travelling to school. **It is important to note that all children must be accompanied to the school gates by their grown ups.**

**Thursday 27th March - Dr Bike** will be on site all day checking and carrying out minor adjustments to the children's bikes if required.

**Monday 31st March - The smoothie bike** will be at school and all children in Years 2, 3 and 4 will have the chance to peddle the bike and make a smoothie. Reception and year 1 children will have their turn after the Easter break.

## Regular Notices and Reminders

### Swimming - Term 4

Year 3 – Pine and Sycamore

Please note the payment issue for Term 4 Swimming has now been resolved. You can now make payments for swimming sessions (February to April) via ParentPay. If your child is a Trust Fund pupil, you can use the available funds to cover the cost of swimming. Please email the school office so we can check your balance and arrange this for you.

## Swimming - Term 5

### Year 2 – Maple and Oak

Please make sure you have read the letter sent via ParentPay this week about swimming for Year 2 children starting after Easter. You will need to provide your consent and voluntary contribution via ParentPay which is now available to do. If your child is a Trust Fund pupil, you can use the available funds to cover the cost of swimming. Please email the school office so we can check your balance and arrange this for you.

## School Lunches: w/c 31/03/2025

### Deadline: 27/03/2025

Don't forget the deadline for ordering school lunches is **midnight** every **Thursday** for the following week. If you miss the deadline, please send your child in with a packed lunch from home for the week.

## Wraparound

### Kites and Trinity Plus – Term 4

Bookings for Term 4 are now open.

Please can we ask parents to make sure you collect your child on time and that you book them in for the period of time required.
