## HEADS UPDATE

from Amanda Seager

It has been a busy week, and Tuesday was an especially exciting day for so many of our children. This term the children in Oak and Maple classes have been learning about the Titanic as part of their overall topic of Under the Sea. The children have absolutely loved finding out about Titanic and were very excited to come to school dressed as someone who might have travelled on the ship. We had captains and crew members, 1st and 3rd class passengers and even some dogs, rats and mice. The children's costumes looked amazing, and they loved having their photos taken using the green screen, making it appear as if they were on the ship itself. During the day, they had afternoon tea (hot chocolate!) using fine china cups and saucers and created their own boarding passes to enable them to 'sail'. They have learned so much about Titanic and amazed us with their enthusiasm. We are very grateful to the parents and grandparents who also worked hard to organise and create the wonderful costumes, and who have supported the children in their learning at home as well.

Tuesday was also the day that our children in Years 3 and 4 had a lovely trip out of school. We were invited to attend the dress rehearsal of Frome College's performance of Alice in Wonderland at the Merlin theatre. The children walked to the theatre and thoroughly enjoyed the show. We love being able to give the children the experience of watching the pantomime at Christmas with a theatre company that comes to us, but it was amazing to be able to give the children the opportunity to watch a live show in a theatre, and to be able to do so at no cost to parents or school. The staff who attended with the children were really impressed with the quality of the performance and were also delighted to see some former Trinity students shining on the stage too!

And if the things going on within the school day weren't exciting enough, there are also the school discos! Last Friday EYFS and Years 3 and 4 had a brilliant time at their discos and I am sure that the children in Years 1 and 2 will love theirs just as much this evening. Thank you so much to the FOTFS committee for all their wonderful organising, and to all the parent volunteers who come along and help out at the events. We are so lucky to have people willing to give up their time to organise and run fantastic community events for children and families.
