HEADS UPDATE

from Amanda Seager

It has been lovely to see everyone again this week following the half term break. I hope everyone was able to enjoy something about last week, even if it was just not having to do the school run every morning! In school we have been enjoying the brighter weather this week, with more outdoor activity opportunities, including the children at after school club being able to have an outside play for the first time in quite a while. It makes such a difference for the children to be able to go out and have fun during their play times in the sunshine throughout the school day. The weather for the next few days seems pretty settled, so hopefully lots of families will be out and about to enjoy the Winter Wonderland. The children in Chestnut, Beech, Sunshine and Rainbow classes have all been really busy this week making their beautiful window displays so do wander past school and have a look when they are all lit up if you can.

Over the next few weeks we have some really lovely things coming up. Next Thursday is World Book Day, and we are making our focus all about our favourite books. We are really hoping that every child will be able to share their favourite book with their friends in class, and we know we have several parents and grandparents already signed up to come and read to the children across the week. If you would like to do this, it isn't too late to volunteer – just get in touch with your child's class teacher. All of the children will also be visiting Hunting Raven to choose a book that they will be able to 'buy' with their World Book Day token. This will be the third year we have done this, and I love being able to offer this opportunity to the children. We are extremely lucky to have such a supportive bookshop in Frome. Following World Book Day, we will be having a whole school shared story to focus on, which will also link with the Frome Kindness Festival running in March.

At the end of this term we will be taking part in the Big Walk and Wheel Challenge to try and encourage as much active travel to school as possible. We really hope our families will support us with this. You will find more information in the newsletter about some fun events Frome Town Council are putting on to help us celebrate the challenge.

A busy few weeks ahead!

We are currently in the process of changing systems. For these parents evenings we will need to book all the appointments manually so please be patient with us. If you have any old newspapers, please can you bring them into school! Many thanks.

Walk and Wheel Challenge

Monday 24 March - Friday 4 April

The annual Walk and Wheel Challenge is nearly here and will take place during the last two weeks of this term. We would love as many families as possible to support it, even if that is by parking a little further away and walking a little further than usual.

Frome Town Council are supporting us by putting on three great events:

Tuesday 25th March - Walking Bus from Victoria Park to school, starting at 8am with a fun warm up with Mojo Moves.

Thursday 27th March - Dr Bike will be on site all day checking and carrying out minor adjustments to the children's bikes if required.

Monday 31st March - The smoothie bike will be at school and all children in Years 2, 3 and 4 will have the chance to peddle the bike and make a smoothie. Reception and year 1 children will have their turn after the Easter break.

Possible Nursery Provision

Please complete the survey

For some time, the governors and Mrs Seager have been very keen to extend Trinity to include nursery provision. This is something the Trust is very happy to support us with and so we are currently exploring how we can make this dream a reality. As part of this process, we have put together a short survey (just 6 questions!) that we would really appreciate your support with.

We would love to know how you feel about the current level of nursery provision in Frome, so if you feel this is an area you have some knowledge of, please could you use the link below to complete the form. Many thanks!

Adult Sponsored Swim

Sunday 16 March

A suggestion was made at the sponsored swim last year and we have listened! This year we are also having an adult swim team! We have some parents and a teacher already on the team but we need some more swimmers. You will need to be available on Sunday 16th March from approx 2pm (exact times tbc) to swim at Frome Sports Centre.

Swimmers will not be solely responsible for fundraising - FOTFS and the whole school will be helping and supporting too. Any money raised will be split between FOTFS and the Frome Lions nominated charity which this year is the Frome Birth Talk.

If you are eager and able, please email Friends of Trinity First School at tsafrome@yahoo.com
