## HEADS UPDATE

from Amanda Seager

This week started with a wonderful visit for our children in Years 1 and 2. Author and illustrator Emma Carlisle came to share her most recent book, A Home is a Nest, with the children. Emma talked to the children about her childhood and her journey to becoming an author and illustrator. She also read her story to the children and then showed the children how she draws some of the animals she loves to include in her books. The children had taken their sketchbooks in with them, and Emma was delighted to see children with sketchbooks and actively encouraged to experiment with their artwork. Trinity is the first school Emma has visited where the children came to her workshop with sketchbooks. The children loved Emma's visit and I am sure she has inspired lots of them to draw and write.

Across the school we have all been working on the same book this week, Change Sings by Amanda Gorman and Loren Long. Amanda Gorman shot to international fame when she presented her poem 'The Hill we Climb' at Joe Biden's inauguration in 2021. Change Sings is equally full of optimism, and is very much aimed at children and designed to inspire children to believe that they can be instrumental in making a better world. All of the children have used the book for their literacy lessons this week, and their work has combined English with social, moral, spiritual and cultural themes. The illustrations in the book are bold and bright and all the classes have created beautiful artwork inspired by them. We will be putting examples of the work the children have created this week on display in the hall, and parents will be able to see it when you come into the Share my Work sessions after the Easter break.

## School News

### School Uniform

#### Reminder

At Trinity, we are as flexible as we can be regarding uniform to ensure that it is as affordable as possible, and as accommodating as possible of individual sensory needs. However, we do require ALL children to wear the right uniform on the right days. As a reminder, these are our expectations:

#### School Uniform:

- Red sweatshirt, cardigan or fleece (with or without the school logo)
- White polo shirt
- Plain grey trousers, shorts, skirt or pinafore dress
- Red and white summer dress
- Black school shoes

#### PE Uniform (on PE days only)

- Red sweatshirt, cardigan or fleece (with or without school logo)
- Red PE T-shirt, either plain or with school logo
- Plain dark (grey, black or navy) jogging bottoms, leggings or shorts
- Trainers

If children frequently come to school not wearing the right uniform, we will call parents and ask you to bring it to school so that your child can change.

The children can continue to wear clothes of their choice on their birthday, or a day close to their birthday if it falls at the weekend or in the holidays.

## Comic Relief

Friday 21 March

The school council would like us to join in with the fundraising for Comic Relief. **We would like to invite the children to wear red noses if they have them and a cape over their normal school uniform** as this also links with the Frome Kindness Festival theme of superheroes.

Please don't feel you need to buy a cape especially for the day - it would be great to see how creative the children could be with an old pillowcase or other piece of unwanted fabric. Parents will be able to make a donation to Comic Relief via [ParentPay](#) if you would like to do so.

### Comic Relief Cake Sale

**We would also like to hold a cake sale at the end of the day on Friday 21st March and would be very grateful for your donations.**

## Walk and Wheel Challenge

Monday 24 March - Friday 4 April

The annual Walk and Wheel Challenge is nearly here and will take place during the last two weeks of this term. We would love as many families as possible to support it, even if that is by parking a little further away and walking a little further than usual.

Frome Town Council are supporting us by putting on three great events:

**Tuesday 25th March - Walking Bus** from Victoria Park to school, starting at 8am with a fun warm up with Mojo Moves.

**Thursday 27th March - Dr Bike** will be on site all day checking and carrying out minor adjustments to the children's bikes if required.

**Monday 31st March - The smoothie bike** will be at school and all children in Years 2, 3 and 4 will have the chance to peddle the bike and make a smoothie. Reception and year 1 children will have their turn after the Easter break.
