HEADS UPDATE

from Amanda Seager

It has been lovely to see so many parents coming in this week to meet with their child's class teacher. Thank you for your patience with the booking process this time. We hope our new management information system will enable parents to book directly next time, but unfortunately the timing of the switch to the new system made it impossible this time. Although brief, these meetings are a really important part of the partnership between home and school, and are a great opportunity for information sharing on both sides at a time that can hopefully be a little less pressured, and public, than the beginning or end of the school day so I hope you have found them useful. If you haven't been able to make an appointment, please do get in touch with your child's class teacher to arrange a suitable time.

Thank you all for your support for the Big Walk and Wheel Challenge this week. It has been great to see how many active journeys the children have made. The challenge continues next week, so do please keep up the good work! We are lucky to have Frome Town Council providing events to support the challenge. It was such fun to have the Mojo Moves walking bus on Tuesday morning and great to see it so well supported. Watching the bus grow as we made our way to school and families joined in was lovely. Dr Bike was with us yesterday, giving the opportunity for checks and minor repairs to the children's bikes. On Monday the children in Years 2, 3 and 4 will have the chance to use pedal power to make a smoothie when the smoothie bike will be at school for the morning. It will be returning after the Easter break for the younger children to have a go.

Across the school we have been very active in other ways this week. Year 2 have been to Frome library, they have taken part in a golf festival and they have had archery workshops this week too. Several children in Year 4 were involved in a Frome swimming gala on Thursday afternoon, and Wednesday afternoon saw two year 4 teams take part in the Clive Lewis tag rugby tournament. As always, the children represented our school brilliantly and were a real pleasure to take out of school.

School News

Walk and Wheel Challenge Monday 24 March - Friday 4 April

During the last week of the Walk and Wheel Challenge, the **smoothie bike** will be at school on **Monday 31st March**. All children in Years 2, 3 and 4 will have the chance to peddle the bike and make a smoothie. Reception and year 1 children will have their turn after the Easter break.

Here is a link to a webpage that shows our walk and wheel data so far! https://bigwalkandwheel.org.uk/schools/575/pr

Tractor VisitYear 1

Our Year 1 children had an amazing time on Tuesday when a tractor from TH. Whites Agriculture in Frome visited Trinity School.

The children had the chance to explore the tractor up close and ask plenty of questions, which made for a fun and informative experience. They really enjoyed discovering how this big machine helps in farming and production.

Regular Notices and Reminders

Swimming - Term 4

Year 3 – Pine and Sycamore

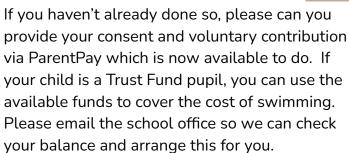

Please note the payment issue for Term 4
Swimming has now been resolved. You can
now make payments for swimming sessions
(February to April) via ParentPay.
If your child is a Trust Fund pupil, you can use
the available funds to cover the cost of
swimming. Please email the school office so we

can check your balance and arrange this for you.

Newsletter No.11 Spring Term 2025 Friday 28 March

Swimming - Term 5

Year 2 – Maple and Oak

Deadline: 03/04/2025

Just a reminder that orders for the first week of term need to be ordered by midnight on Thursday 3rd of April. If you miss the deadline, please send your child in with a packed lunch from home for the week.

Wraparound

Kites and Trinity Plus – Term 5

Please can we ask parents to make sure you collect your child on time and that you book them in for the correct period of time required.

Please note there is no Trinity Plus on Friday 4th April.

Should you have any questions, please email shockley@trinityfrome.mnsp.org.uk (working hours Wed 12.30-3.30pm and Fri 9am-3.30pm)

Flourishing Together
through
Kindness ~ Curiosity ~ Respect ~
Resilience ~ Teamwork

Trinity First School is committed to safeguarding and promoting the welfare of all children.

We expect all our staff and volunteers to share this commitment

Frome Birth Talk

Frome Birth Talk provides a free counselling service and wellbeing events and activities for pregnant people and new parents, to promote good perinatal mental health, a positive start for the baby and resilient family relationships.

Why the community needs us

Our free professional counselling service has been helping women in the Frome area since 2014. We have since opened up our service to everyone, so anyone who is pregnant or has had or lost a baby in the last two years can self-refer for six sessions of counselling when they feel the need. They are usually seen within a few weeks. NHS England estimates that up to 20 per cent of women experience depression, anxiety and low mood during this life stage, so Frome Birth Talk aims to raise awareness of this common experience and help women to overcome it and enjoy motherhood to the full.

Our impact on the community

Approximately 150 local people use our counselling service each year, but demand is constantly rising. We also provide two weekly drop-in groups each week - one for those who are pregnant or have a newborn and one for babies and toddlers that are on the move, as well as a monthly drop-in group for parents who have experienced baby loss.

Our financial situation means that our survival is at riskIf enough wonderful people in our community could spare the equivalent of a couple of coffees each month, we could ensure the future of Frome Birth Talk.
