HEADS UPDATE

from Amanda Seager

There have been two themes that have been covered across the school this week – Online Safety Day and Children's Mental Health Week. Both of these are really important for us to cover with the children, and in many ways it is a shame (although perhaps not a coincidence) that they both happen in the same week each year.

The focus for the Online Safety Day was on fake news. Each class has completed tasks related to this that are appropriate for the age of the children and the children in Willow class shared some of their class learning with the rest of key stage 2 in our assembly this morning. In addition, Mr Davies and I led assemblies earlier in the week in which we encouraged the children to consider the difference between a fact and an opinion, and how we can identify them both in the information we come across. I always feel that this kind of thing is a fine line for us as we do not want the children to lose their innocence and their trust that what they hear and read is true, but equally we have a responsibility to do our bit to prepare the children for life in the modern world.

For Children's Mental Health Week we have been focusing on belonging. We know that children (and adults) who have a strong sense of belonging (to a family, a school, a community or group) tend to enjoy much better mental health than those who don't as when they feel they belong, the children feel valued, cared for and comfortable to be themselves. We used our time this week to explore with the children the places and people they feel they belong to. The children have created beautiful, personal maps that show the places, groups and activities where they feel they belong and we will be using lots of these to create a display in the hall to celebrate their wonderful ideas.

School News

Newspapers

Please bring to the office

We are in need of newspapers to line our food waste bins. If you have any spare, please bring them to school. Many thanks!

Lunch Reminder

Packed Lunches

If your child has a mixture of school dinners and packed lunches, please could you make a note of the days a lunch from home is needed.

We've seen an increasing number of children forgetting their packed lunches lately.

EYFS Fence

Looking for some help!

Our EYFS team is looking for a bit of help! One of our small fences in the Early Years area has started leaning and is in need of mending.

If we have any handy parents (or grandparents!) who might be able to spare some time, we would be very grateful.

Parent Meeting Bookings

Arbor

We are pleased to confirm that bookings for the Parent Consultations will open at **9:00am** on **Monday 16 February**.

To book your slot, please log in via your Arbor Parent Portal account. Please ensure you book one appointment per child and do not book slots across both available days.

For step-by-step guidance on how to make bookings through the Parent Portal or the Parent App, please click [here](#).

We Hear You - Non school uniform day Friday 27 February

On Friday 27th February we are inviting the children to come to school in non-uniform as a fundraiser for We Hear You. We have been very happy to support We Hear You in the past, especially by joining Rachel Clark when she ran a mile a day to raise funds for this hugely valuable local charity. Sadly, We Hear You is facing a significant financial crisis and needs to raise £55,000 by the end of March or they face the very real prospect of closing. As a charity that has supported and that is currently supporting members of our Trinity community, we hope that you will support us by sending your child in non-uniform on the day, along with a suggested donation of £1. We are collecting cash donations on this occasion. Thank you.

Great Athletes Day Tuesday 17 March

We're excited to be welcoming an inspirational athlete into school for a special Great Athletes Day on Tuesday 17th March. Each class will take part in a fun fitness circuit led by the athlete, followed by a motivational assembly focused on determination, resilience and developing a growth mindset. Children will also have the opportunity to ask the athlete questions during a Q&A session.

The visit is part of a fundraising initiative, and we will be sending out further information closer to the event. Our aim is to inspire every child to be more active, confident and resilient, while creating a memorable and positive experience for everyone involved.
