## HEADS UPDATE

from Amanda Seager

As we draw to the end of the Spring term, we have a lovely community event to look forward to tomorrow afternoon. The brilliant FOTFS committee has been hard at work preparing the Easter Puzzle Trail, which will be taking place at school between 1pm and 3pm tomorrow. The event last year was a huge success, with children and adults alike thoroughly enjoying the various puzzles set up by the team. The children will be able to practise their problem solving and thinking skills as they work their way through the different puzzles and earn an Easter egg as a reward for solving them. I am sure we will see our school values (curiosity, kindness, resilience, respect and teamwork) demonstrated along the way. In addition to the puzzles, there will be refreshments in the hall and a chance to sit and chat with friends. It was a fantastic event last year, and I am sure tomorrow will be every bit as good so do come and join in the fun if you are able to. You can buy tickets in advance by clicking on the link below, and they will also be available to buy on the door.

I always love it when we are able to open up the school for a social event, and I know I am extremely lucky to have such a brilliant FOTFS committee. The team works incredibly hard to put on a variety of different events throughout the year both for children and adults. As well as providing opportunities for entertainment, most of the events also raise funds for the school. Some of the monies raised are used to support the costs of school trips and to buy toys and resources for the classes. The committee members also like to have a bigger project to work towards, and currently the focus is on refreshing our school library. The library was refurbished about 10 years ago, and we feel the time is right to have a thorough review of our library stock. We are looking to introduce lots of new books and to widen the scope of the reading material we have available to the children. We are gathering the ideas of children and staff in terms of what they would like to see in the library and if parents and carers have any ideas, we will be very happy to hear them.

### Swimming - Summer Term

#### Year 2 – Beech and Chestnut

Please note that payment for the Summer Term (Term 5 and Term 6) is now available through Arbor. We have corrected the system and apologise for any confusion regarding the schedule; there will be a total of 9 sessions, with the first session officially beginning on 30th April. However, as the Year 2 pupils will be away on a school trip that day, they will not be attending the session on 30th April.

Consequently, we have reduced the cost of the termly swimming option to £64.35 to cover 9 sessions. While we are unable to amend the specific dates shown on Arbor for those who have already signed up, please be assured there is no swimming on the 30th. If you have already paid the full price for 10 sessions and would like a refund for that missed date, please email the school office.

Additionally, if you are a Trust Fund pupil, you may use your funds to pay for these lessons; simply email the office so we can check your balance and arrange this for you. Thank you.
