HEADS UPDATE

from Amanda Seager

We have finished our year with a really wonderful week. This morning the children all enjoyed a fabulous show, created and performed by Tor Theatre. There was a lot of laughter and joy in the hall through both performances and it was a super treat for the children at the end of the year. My thanks to FOTFS for funding this for us.

All of the children have been making the most of our outdoor spaces throughout the week, whether that was a visit to Forest School, an extra play in the quiet garden, exploring the pond area or a trip to Critchill to play on their amazing playground. The Year 2 children also had a great trip to the tiny forest at Egford Park this week, where they worked with staff from Frome Town Council to find and identify different leaves. Wherever they have been, the children have loved the opportunity to be outdoors.

Of course, the most important people this week are our brilliant Year 4 children. The Leavers' Service at Trinity church on Wednesday evening was spectacular, with the children sharing their memories of Trinity and their hopes and dreams for the future. They also sang many of our favourite songs, and they were perfect in every one. It was a really proud moment to see them performing to such a high standard, whilst also managing the emotions they are all feeling as their time at Trinity comes to an end. They then repeated the same level of performance on Thursday morning when the whole school joined to celebrate their time at Trinity with them. They are all very special children, who have been brilliant at Trinity. I wish them all the very best for the next stage – if they continue as they are, I know they will be fabulous.

Thank you for all your support throughout the year. I wish you all a wonderful few weeks ahead with your children. I hope the sun continues to shine! For those of you returning (and maybe joining) in September, I look forward to welcoming you on Monday, September 7th. Have a super summer!

Trinity Nursery Opening

September 2026

We are thrilled to be able to start offering nursery provision at Trinity from September 2026!

The refurbishment of our nursery building is now officially underway, and the work is progressing wonderfully. It is so exciting to see the space start to transform, and we are very much looking forward to welcoming our first children in September.

We already have lots of children signed up to start with us in September, January, and April of the next academic year! However, we still have spaces available. If you or someone you know is interested in a place, please get in touch—we would love to welcome you to the Trinity family.

Trinity Nursery will operate in term time only, with opening hours that are in line with our extended school provision – from 8am until 5:30pm Monday to Thursday and from 8am to 4pm on Fridays.

Initially, we will be offering places to children aged from 2 years and 8 months.

If you are interested in applying for a place for your child to start in September 2026 or January 2027, or if you would like to put your child's name on our waiting list, please click [here](#) to view our website.

Summer Reading Challenge 2026

Read to the Beat

A quick reminder that the Reading Challenge has now begun. Please click on the link below to watch the short launch video from Somerset Libraries.

[Read to the Beat!](#)

Are you looking for a free, fun activity to do over the summer holidays?

What is the Summer Reading Challenge?

The aim of the Summer Reading Challenge is to encourage children to read for pleasure. The challenge is to read six books over the summer holidays and children can sign up for free at any library in Somerset.

What do I have to do?

1. Visit the library and sign up with your library card – you will receive your free poster pack! If you don't have a library card you can join for free at the same time.
2. Every time you read two books, go back to the library and they will give you two stickers for your poster.
3. After you've read six books, you will receive a certificate and a badge!

When does the challenge run?

This year's challenge runs from Saturday 4th July until Saturday 12th September.

The challenge is completely free and is open to children of all ages.

Mrs Fox

Farewell - 25 Years

This summer, we are saying goodbye to Mrs. Fox as she retires after 25 years at Trinity.

Please join us in thanking her for all her hard work in supporting so many pupils over the years. We wish her a very happy and well-deserved retirement!

Lost Property

We currently have a large box of lost property located in the school entrance. If your child has misplaced any uniform, coats, or items recently, please come and take a look next week.

Any items remaining in the box after **today** will be recycled so we can start with a fresh, empty box in September.

Chess Club Update

Thank you so much to those who have made Chess Club such a success this term! If your child currently attends or is on the waiting list then you will receive an email over the summer holidays. If your child is interested in joining then please do email Kate and Lizzie at

katemelvin85@gmail.com

Have a wonderful summer everybody!

Parking for drop off/pick up Parent Reminder

Please can we remind all parents who park along Nunney Road to be mindful of local residents during the busy school run. We kindly ask that you keep noise levels to a minimum and ensure that you do not block driveways or leave your engine idling while waiting. Many thanks as always for your support.

Regular Notices and Reminders

School Lunches September 2026

Please click [here](#) to make a booking

Please note that our new school menu will go live starting week commencing 27th July.

Please note that there will be a slight price adjustment for school meals. From September, meals for children in Year 3 and Year 4 will be priced at £2.90 per meal.

Swimming - Summer Term Year 2 – Beech and Chestnut

Please note that payment for the Summer Term (Term 5 and Term 6) is now available through Arbor. We have corrected the system and apologise for any confusion regarding the schedule; there will be a total of 9 sessions, with the first session officially beginning on 30th April. However, as the Year 2 pupils were on a school trip that day, they did not attend the session on 30th April.

Consequently, we have reduced the cost of the termly swimming option to £64.35 to cover 9 sessions. While we are unable to amend the specific dates shown on Arbor for those who have already signed up, please be assured there is no swimming on the 30th. If you have already paid the full price for 10 sessions and would like a refund for that missed date, please email the school office.

Additionally, if you are a Trust Fund pupil, you may use your funds to pay for these lessons; simply email the office so we can check your balance and arrange this for you. Thank you.

Great British Summer Savings

Message from Dept for Education

Rising prices can make life's little treats harder to afford, especially during the school holidays when costs build up for families. This Government is determined to help, and that is why last month the Chancellor announced the Great British Summer Savings scheme.

From 25 June to 1 September 2026, the Government is temporarily cutting VAT from 20% to 5% on children's meals in restaurants, children and family tickets to cinemas, theatres, concerts and exhibitions, and admission to a wide range of attractions. Combined with free bus travel during August for children aged 5 to 15 in England, families and young people will be able to enjoy experiences that make summer special, including visits to the kinds of cultural and educational attractions that enrich children's lives outside the classroom.

As part of this campaign, we have launched an attraction finder website which allows families to type in their postcode and find participating venues near them to make the most of summer savings. To use the attraction finder, please visit <https://summersavings.gov.uk>.
