HEADS UPDATE

from Amanda Seager

Welcome back to a new school year! It was lovely to see all our returning pupils and to meet our new children this week. The children have all started the term so well and those who are in new classes are settling in brilliantly.

This week has seen me realise a long-held ambition for Trinity – to be able to offer nursery provision. Ever since I joined Trinity and established that we had a building designed to be a nursery, it has felt like such a natural thing to be able to offer. Finally, with funding and support from both the DfE and MNSP Trust and a huge amount of work from the whole nursery team of Mrs Griffin, Kim, Kate, Nicola and Mrs Darville in the office, as well as a lot of patience and understanding from the rest of the school community (but especially Hazel and Willow staff, pupils and parents, and last year's Chestnut class staff, pupils and parents) Trinity Nursery opened its doors to our first cohort of children on Monday morning.

The old Chestnut classroom has been completely transformed. Our nursery is beautiful, spacious and purposeful both inside and out. I have been up several times this week and every time I have been delighted with what I have seen. There is so much learning happening throughout the day, the children are always chatty and busy and the level of care and nurture is outstanding.

At the other end of the school, our Year 4 children are currently away on their residential trip at Hooke Court. They are having the most wonderful time and creating memories that will last for a long time to come. They will all return to school on Friday afternoon extremely weary but hugely enriched. As always, I am very grateful to the staff for being so enthusiastic about taking the children, even though they know they will have two nights of very interrupted sleep!
